

## CRASH REPLACEMENT CONDITIONS AND PROCESS

In case of bad luck, Fore wheels supports you by offering replacement rims for a special discounted price. - 50% on retail price.

**Fore Wheels offers a crash replacement in addition to the legal warranty.**

This service can be engaged in case of a broken wheel, which can't be used anymore due to a self-inflicted accident or crash. Fore Wheels offers a special discount on the retail price for an equal or comparable replacement wheel(set).

- The offer is valid once only with a registration on the Fore Wheels website.
- The carbon wheel has to be sent to your dealer or to the Fore Wheels Service Center. A sales receipt and the damage report need to be added. Please make sure to return it without the tubular or clincher tire, without the sprockets, brake disc and without the quick release skewer.
- The damaged wheel will be replaced with a new wheel of the same model. And Fore Wheels reserve the rights to replace the damaged wheel with an equal alternative-wheel.
- The damage has to affect the functionality of the wheel. (optical damage is excluded).
- There is no claim, as Fore Wheels assumes ownership of the broken wheel.
- Costs for conversion, freight and duty are not incurred by Fore Wheels.
